Da-dah-da-da-da-da

Da-dah-da-da-da-da

Da-dah-da-da-da-da

Da-da-da-da

Da-dah-da-da-da-da

Da-dah-da-da-da-da

Da-dah-da-da-da-da

Da-da-da-da-daLet's take a trip, back to the start

When I was sitting all alone with half a heart

I was wasting, a-wasting, a-wasting my time

You walked up to me and asked for my name

Now every little thing for me has changed

I've been waiting, a-waiting, a-waiting for youThe luck in love has always let me down

I'm gonna turn it around

Cause you, you make me smile

You make me smile

With your loving style

And I hope that you'll be mine

For a while

With your loving styleDa-dah-da-da-da-da

Da-dah-da-da-da-da

Da-dah-da-da-da-da

Da-da-da-daHoly moly, I'm living the dream

You and I make a damn good team

And I'm falling, we're falling, we're falling

Like the rain

We can run away from the city life

Where we get to I don't mind

Cause I'm happy, I'm happy, I'm happy

Once again

But what if you should run out of romance?

I'm gonna give it a chanceCause you, you make me smile

You make me smile

With your loving style

And I hope that you'll be mine

For a while

With your loving styleDa-dah-da-da-da-da

Da-dah-da-da-da-da

Da-dah-da-da-da-da

Da-da-da-da-daEven though your love is pure and sweet

I can't wait to get you under the sheets

When the day is done, we'll stop and we'll finally Get it o-o-on. Ooooh-ooohCause you, you make me smile

You make me smile
With your loving style
And I hope that you'll be mine
For a while

With your loving styleDa-dah-da-da-da-da

Da-dah-da-da-da-da Da-dah-da-da-da-da

Da-da-da-da

(With your loving style) The sun began to rise when you came my way
You fell out of the sky, and you made my day
As long as you can tall me that you're going to stay

As long as you can tell me that you're going to stay
I will keep smiling

The sun began to rise when you came my way

You fell out of the sky, and you made my day
As long as you can tell me that you're going to stay
I will keep smiling

The sun began to rise when you came my way
You fell out of the sky, and you made my day
As long as you can tell me that you're going to stay
I will keep smiling

The sun began to rise when you came my way
You fell out of the sky, and you made my day
As long as you can tell me that you're going to stay
I will keep smiling
