

# I Just Want To Make Love To You

Etta James

I don't want you to be no slave  
I don't want you to work all day  
But I want you to be true  
And I just wanna make love to you Love to you, ooohooo  
Love to you All I want to do is wash your clothes  
I don't want to keep you indoors  
There is nothing for you to do  
But keep me making love to you  
Love to you, ooohooo  
Love to you And I can tell by the way you walk that walk  
And I can hear by the way you talk that talk  
And I can know by the way you treat your girl  
That I could give you all the loving in the whole wide world All I want you to do is to bake your  
bread  
Just to make sure that you're well fed  
I don't want you sad and blue  
And I just wanna make love to you Love to you, ooohooo  
Love to you, oooh  
And I can tell by the way you walk that walk  
And I can hear by the way you talk that talk  
And I can know by the way you treat your girl  
That I could give you all the loving in the whole wide world  
Oh, all I wanna do, all I wanna do is cook your bread  
Just to make sure that you're well fed  
I don't want you sad and blue  
And I just wanna make love to you  
Love to you, ooohooo  
Real love to you, ooohooo  
Love to you, ooohooo
