Fighter

Christina Aguilera

Humm, After all that you put me through,
You think I'd despise you,
But in the end I wanna thank you,
'Cause you've made me that much stronger.Well I thought I knew you, thinkin' that you were true

Guess I, I couldn't trust called your bluff time is up 'Cause I've had enough

You were there by my side, always down for the ride But your joy ride just came down in flames 'cause your greed sold me out in shame After all of the stealing and cheating you probably think that I hold resentment for you

But uh uh, oh no, you're wrong 'Cause if it wasn't for all that you tried to do, I wouldn't know

Just how capable I am to pull through

So I wanna say thank you

'Cause itMakes me that much stronger

Makes me work a little bit harder

It makes me that much wiser

So thanks for making me a FighterMade me learn a little bit faster

Made my skin a little bit thicker

Makes me that much smarter

So thanks for making me a Fighter.Ooh, Ooh, Ooh, Ooh,

Ooh Yeah, Ahh Uhuh

Never saw it coming, all of your backstabbing

Just so you could cash in on a good thing before I'd realize your game

I heard you're going round playing the victim now

But don't even begin feeling I'm the one to blame

'Cause you dug your own grave

After all of the fights and the lies 'cause you're wanting to haunt me But that won't work anymore, no more,

It's over

'Cause if it wasn't for all of your torture

I wouldn't know how to be this way now and never back down

So I wanna say thank you

'Cause itMakes me that much stronger

Makes me work a little bit harder

It makes me that much wiser

So thanks for making me a Fighter. Made me learn a little bit faster

Made my skin a little bit thicker

Makes me that much smarter

So thanks for making me a Fighter. How could this man I thought I knew

Turn out to be unjust so cruel

Could only see the good in you

Pretend not to see the truth
You tried to hide your lies, disguise yourself
Through living in denial
But in the end you'll see
YOU-WON'T-STOP-MEI am a Fighter and I

(I ain't gonna stop)

There is no turning back

(I've had enough)Makes me that much stronger

Makes me work a little bit harder

It makes me that much wiser

So thanks for making me a FighterMade me learn a little bit faster

Made my skin a little bit thicker

Makes me that much smarter

So thanks for making me a FighterYou thought I would forget

But I remembered

'Cause I remembered

I remembered

You thought I would forget

I remembered

'Cause I remembered

I rememberedMakes me that much stronger

Makes me work a little bit harder

It makes me that much wiser

So thanks for making me a FighterMade me learn a little bit faster

Made my skin a little bit thicker

Makes me that much smarter

So thanks for making me a Fighter.
