

# Star of the Show (feat. Chevy Woods)

Wiz Khalifa

Loving you, is all I wanna do  
Loving you, is all I wanna do Yeeah  
Ugh  
Ugh  
Ugh See I've been going on and on for ever  
Them haters probably wonder when I'm gone stop, never!  
Most of it's been good but I've seen some bad weather  
And niggas watching now, wouldn't even give me an umbrella  
But I aint tripping, I made a million on my own  
May come to your surprise but I pictured it all along  
When I was 16, finna get put out my home  
Now the man making money, my nigga, my money growing  
And I can do what I what, went from being hated on  
To niggas try to go down the same road I made it on  
Aint no love lost but aint no love shown  
So now when niggas call I just don't pick up the phone  
I'm breaking down the weed, put it in the bong  
Blow a hundred racks, put it in the song  
Party every weekend, hardly ever home  
Don't see me face to face so you have to talk about me when I gone  
Stay away from the fake or phoney (phoney)  
Niggas who can't support their own So keep pay me from the crowd  
Everybody wants to be the star of the show-ow-owww  
The show-ow-owww (ow-owww)  
The show-ow-owww (ow-owww)  
The show-ow-owww (ow-owww)  
The show-ow-owww (ow-owww) The drinks poured up, weed's rolled up  
And all my jewelery ice to piece froze up  
I only like to see the hoes who keep their nose up  
Have any nigga in the World but she chose us  
I remember them same hoes aint even notice us  
Get you to buy us a drink than its over cuz  
We back around the time that she sober'd up  
Shit aint been the same since the limosune showed up  
The best moments of my life  
Never filled this much plastic off of Polo in my life  
Rarely gon to see, smoking with ya wife  
Plus anything you want I can afford to buy it twice  
It's the way we know, wake up in the morn'  
Like "where did all my paper go"  
Grow some more weed and get medicated  
Everyday is a holiday so we celebrated

Stay away from the fake or phoney (phoney)  
Niggas who can't support their ownSo keep pay me from the crowd  
Everybody wants to be the star of the show-ow-owww  
The show-ow-owww (ow-owww)  
The show-ow-owww (ow-owww)  
The show-ow-owww (ow-owww)  
The show-ow-owww (ow-owww)
