

# Circled By the Wolves

## Asking Alexandria

No, I never said it was easy  
We're starting over again  
Oh, you fucking gotta believe me  
We nearly fell off the edge  
Circled by the wolves, they want me dead  
Look me in the eye, I'm no longer afraid  
I've come so far, I won't turn away  
Let go of the past and life for today  
I don't run Fuck, I kill Motherfucker  
And I'm here Motherfucker  
You can try to beat me  
Step inside Fuck  
You're next Motherfucker  
And you'll see Motherfucker  
You can't fuck with me  
You're long dead to me  
FUCK YEAH!  
Our fingers raised in the air  
So can you hear me now?  
Say my name  
No longer waisting my time  
Your words don't bother me  
I don't care  
I've come so far, I won't turn away  
Let go of the the past and life for today  
CHEERS!  
OH GOD...  
I can't believe you thought we couldn't see  
You wanted closure - Now it's here for you  
F U C K Y O U  
We're all just running in circles  
Forever chasing a dream  
As if everything that we long for is not as far as it seems  
Who the hell are you any way?  
Who the fuck are you to say we're done for?
