

Low Tide

DRAMA

Cause I'm not just anybody
My love won't be taken down by a bullet
And I've tried everything But I'm burst and disappearing And your love
Used to bring out the best in me
And now I'd be dying
And now I'm reminded
Left to remind me That you, you're too cool to fall in love
You're too smooth to get caught up
In something you can't walk away from
(Walk away) Walk away from
And I know it's safer to believe
That you don't mean a thing to me
But, mmm hmm
I'm a fool
I'm a fool and I'm in love
I'm a fool and I'm caught up
And I can't
Can't walk away from you
Can't walk away from you So save what you're going to say to me
And I'll remember
And I'll meet you in the low tide, low tide
I'll meet you in the low tide, low tide
And I'll meet you in the low tide, low tide
Gonna meet you in the low tide, low tide
And I'll meet you in the low tide, low tide
And I'll meet you in the low tide, low tide
And I'll meet you in the low tide, low tide
Gonna meet you in the low tide, low tide
The low tide
(Low tide, low tide
And I'll meet you in the low tide, low tide) And I'll meet you in the low tide, low tide
And I'll meet you in the low tide, low tide
And I'll meet you in the low tide, low tide
Gonna meet you in the low tide, low tide
The low tide
