

# Cry (feat. Take That)

## Sigma

I've been drowning in the river  
Tried to soothe my soul  
Take me under, take me deeper  
Than I choose to go  
I can't see it any clearer  
I said long ago  
But down here underneath the surface  
You're my only hope If you remember me everyone else can forget  
Everyone else can forget  
Tell them I have nothing, nothing  
Cause I'd rather go blind  
Than watch you walk out of my life  
Turn my face up to the sky  
You know we all, we all, we all, we all cry  
Heart on the line for the love we left behind  
I can't let you go this time  
And oh I know, I know, I know you hear me  
Cry, cry, cry, cry  
I know, I know, I know you hear me I've been waiting for the storm  
To surrender my soul  
Bathe me in your holy water and lay me down If you remember me everyone else can forget  
Everyone else can forget  
Tell them I have nothing, nothing  
Cause I'd rather go blind  
Than watch you walk out of my life  
Turn my face up to the sky  
You know we all, we all, we all, we all cry  
Heart on the line for the love we left behind  
I can't let you go this time  
And oh I know, I know, I know you hear me  
Cry, cry, cry  
I know, I know, I know you hear me  
Cry, cry, cry  
I know, I know, I know you hear me Surrender, surrender  
Surrender, surrender, surrender  
Cause I surrender Cause I'd rather go blind  
Than watch you walk out of my life  
Turn my face up to the sky  
You know we all, we all, we all, we all cry  
Heart on the line for the love we left behind  
I can't let you go this time  
And oh I know, I know, I know you hear me

Cry, cry, cry  
I know, I know, I know you hear me  
Cry, cry, cry  
I know, I know, I know you hear me cry
