

# In Your Arms (feat. Fisher)

Paul van Dyk & Giuseppe Ottaviani

Oh  
it feels like heaven  
in your arms  
some place  
I've never known  
X2Until nowOh  
and it feels like heaven  
in your arms  
something  
I've never known  
Oh  
it feels like heaven  
in your arms  
something  
I've never knownOh  
it feels like heaven  
in your arms  
some place  
I've never known  
Oh  
it feels like heaven  
in your arms  
something  
I've never known
