Something About You (ODESZA Remix)

Hayden James

There's something about you There's something about you

There's something about you (uhh)

There's something about you There's something about you

(uhh)

What about a hit?

What about a hit of your look

Start to shake

Start to shake with your hand

What of a click?

What of a click, are you a freak?

You turn and face me

Maybe this time I'll chooseWhat about a hit?

What about a hit of your look

Start to shake

Start to shake with your hand

What of a click?

What of a click, are you a freak?

You turn and face me

Maybe this time I'll choose(Ooh)

Start to shake with your hand (ooh)

What of a click, are you a freak? (ooh)
