

Delicate

[Kina Grannis](#)

You said, "be careful, it's delicate
things can just crumble apart."
but it's not the same for me
it's not the same for me
So I kept treading so carelessly
thin lines that splintered my ground
but I closed my eyes to them
I closed my eyes to them
How did you know that I couldn't be what everyone wanted me to be
and how did you know that I wouldn't see when everything falls away from me
When everything falls away from me
One day I woke in the rubble
knee-deep in damage I'd done
and I was ashamed of it
how did it come to this?
How did you know that I couldn't be what everyone wanted me to be
and how did you know that I wouldn't see when everything falls away from me
When everything falls away from me
How did you know that I couldn't be what everyone wanted me to be
and how did you know that I wouldn't see when everything falls away from me
When everything falls away from me
When everything falls away from me
