Until the End

Breaking Benjamin

So clever

Whatever

I'm done with these endeavors

Alone I walk the winding way

(Here I stay)

It's over

No longer

I feel it growing stronger

I live to die another day

Until I fade awayWhy give up, why give in?

It's not enough, it never is

So I will go on until the end

We've become desolate

It's not enough, it never is

But I will go on until the end

Surround me

It's easy

To fall apart completely

I feel you creeping up again

(In my head)

It's over

No longer

I feel it growing colder

I knew this day would come to end

So let this life beginWhy give up, why give in?

It's not enough, it never is

So I will go on until the end

We've become desolate

It's not enough, it never is

But I will go on until the end

I've lost my way

I've lost my way

But I will go on until the endLiving is

Hard enough

Without you fucking upWhy give up, why give in?

It's not enough, it never is

So I will go on until the end

We've become desolate

It's not enough, it never is

But I will go on until the endI've lost my way

I've lost my way

But I will go on until the end

The final fight I'll win
The final fight I'll win
The final fight I'll win
But I will go on until the end
