Sheer Heart Attack (Taylor)

Well you're just 17 and all you wanna do is disappear

You know what I mean there's a lot of space between your ears

The way that you touch don't feel nothin'

Hey hey hey hey, it was the DNAHey hey hey hey, that made me this way

Do you know, do you know, do you know, just how I feel

Do you know, do you know, do you know, just how I feel

Sheer heart attackSheer heart attack

Real cardiac

I feel so in-articulate

Gotta feelin', gotta feelin', gotta feelin', like I'm paralysed

It ain't no, it ain't no, it ain't no, it ain't no surprise

Turn on the TV let it drip right down in your eyes

Hey hey hey hey, it was the DNAHey hey hey hey, that made me this way

Do you know, do you know, do you know, just how I feel

Do you know, do you know, do you know, just how I feelSheer heart attackSheer heart attack

Real cardiac

I feel so in-articulate

Do you know, do you know, do you know just how I feel

Do you know, do you know, do you know just how I feel

Do you know, do you know, do you know just how I feel

Do you know, do you know, do you know, do you know just how I feel
