I Need You

America

We used to laugh we used to cry we used to bow our heads then wonder why but now you're gone i guess i'll carry on and make the best of what you've left to me left to me, left to me I need you like the flower needs the rain you know, i need you guess i'll start it all again you know, i need you like the winter needs the spring you know i need you i need you And every day i'd laugh the hours away just knowing you were thinking of me then it came that i was put to blame for every story told about me about me, about me I need you like the flower needs the rain you know, i need you guess i'll start it all again you know, i need you like the winter needs the spring you know i need you i need you, i need you Song Discussions is protected by U.S. Patent 9401941.
