

Black and White

Static-X

Lost in my own world
Lost in my own world
Lost in myLost in my own world
Lost in my own world
Lost in myGetting to the right
Getting to the wrong
Getting mineGetting to the right
Getting to the wrong
Getting high
Losing your mind
Losing your mind
It's blurring
It's fading
Your soul's on fire
It's black and whiteBurning inside
Burning inside
Burning into whiteBurning inside
Burning inside
Burning into nightYourself collides
Yourself collides
Yourself into mineYourself collides
Yourself collides
Yourself splinters like
Losing your mind
Losing your mind
It's blurring
It's fading
Your soul's on fire
It's black and whiteLosing your mind
Losing your mind
(It's ours for the taking)
It's blurring
It's fading
Your soul's on fire
It's black and whiteBlurring the light
Blurring the light
(It's blurring
It's fading)
It's ours for the taking
Flickering colours
It's black and white(Lost in my own world)
(Lost in my own world)Losing your mind

Losing your mind
(It's ours for the taking)
It's blurring
It's fading
Your soul's on fire
It's black and white Blurring the light
Blurring the light
(It's blurring
It's fading)
It's ours for the taking
Flickering colours
It's black and white (Lost in my own world)
(Lost in my own world)
(Lost in my own world)
(Lost in my own world) Lost in my own world
Lost in my own world
Lost in my own world
Lost in my own world
