

Amy

Ryan Adams

I don't know why I let go
I want to be your friend
Flowers grow through my window and I love you again Oh I love you oh
When you laid me down
Into your beautiful garden
Flowers in the love of my arms
It's God shining through to me I guess
It's God shining through to me I guess
Oh I love you Amy
Do you still love me? I go to the places where we used to
I feel sad
I am out here looking for you
Sometimes I pretend Oh I miss you oh
When you laid me down
Into your beautiful garden
Flowers and the love in my arms
Is God playing evil tricks on me
Is God playing evil tricks on me Oh I love you Amy
Do you still love me?
Oh I love you oh
When you laid me down
Into your beautiful garden
Flowers in the love of my arms
Is God playing evil tricks on me
Is God playing evil tricks on me Oh I love you Amy
Do you still love me?
