

# Goodbye

## Slipknot

Come on over...  
Come unglued...  
It's not easy  
To see all of you  
Help yourselves  
Help is on the way  
Well there's nothing to lose so now  
I have something to say  
Maybe we can all recognize a moment of silence  
Maybe we can finally agree on the same point of view  
A long time ago we believed... that we were united  
So the last thing on Earth I am ready to do is say...  
Goodbye!  
A long time ago we discovered that nothing could stop us  
If this hasn't torn us apart so nothing ever will  
How can we know where we are if the sun is behind us?  
But this moment will show us the rest of our lives  
No-one is goin' to save us this time  
No one can know what we're feeling...  
So don't even try
