Trippin' out Spinnin' around I'm underground, I fell down Yeah, I fell downI'm freakin' out So where am I now? Upside down And I can't stop it now It can't stop me now, Ohhh I, I'll get by I, I'll survive When the world's crashin' down When I fall and hit the ground I will turn myself around Don't you try to stop it! I, I won't cryI found myself (myself) in Wonderland Get back on my feet again Is this real? (Is this real?) Is it pretend? (Is it pretend?) I'll take (I'll take) a stand (A stand) until (Until) the endI, I'll get by I, I'll survive When the world's crashin' down When I fall and hit the ground I'll just turn myself around Don't you try to stop me! I, I won't cry I, I'll get by I, I'll survive When the world's crashin' down When I fall and hit the ground I will turn myself around Don't you try to stop me! I, and I won't cry Song Discussions is protected by U.S. Patent 9401941. Other patents pending.
