

# Don't Turn Around

Bonnie Tyler

Every now and then  
I get a little bit lonely  
And you're never coming round(Turn around)  
Every now and then  
I get a little bit tiredOf listening to the sound of my tears(Turn around)  
Every now and thenI get a little bit nervous  
That the best of all the years have gone by(Turn around)  
Every now and then I get a little bit terrified  
And then I see the look in your eyes  
(Turn Around, bright eyes)  
Every now and then I fall apart  
(Turn Around, bright eyes)  
Every now and then  
I fall apart(Turn around)  
Every now and then  
I get a little bit restless  
And I dream of something wild  
(Turn around)  
Every now and then  
I get a little bit helpless  
And I'm lying like a child in your arms  
(Turn around)  
Every now and then  
I get a little bit angry  
And I know I've got to get out and cry  
(Turn around)  
Every now and then  
I get a little bit terrified  
But then I see the look in your eyes  
(Turn Around, bright eyes)  
Every now and then  
I fall apart  
Turn around, bright eyes  
Every now and then  
I fall apartAnd I need you now tonight  
And I need you more than ever  
And if you only hold me tight  
We'll be holding on forever  
And we'll only be making it right  
'Cause we'll never be wrong  
Together we can take it to the end of the line  
Your love is like a shadow on me all of the time

(All of the time)I don't know what to do and I'm always in the dark  
We're living in a powder keg and giving off sparks  
I really need you tonight  
Forever's gonna start tonight  
(Forever's gonna start tonight)Once upon a time  
I was falling in love  
But now I'm only falling apartThere's nothing I can do  
A total eclipse of the heartOnce upon a time there was light in my life  
But now there's only love in the dark  
Nothing I can say  
A total eclipse of the heart(Turn Around, bright eyes)  
(Turn Around, bright eyes)(Turn around)  
Every now and then  
I know you'll never be the boy  
You always wanted to be  
(Turn around)  
But every now and then  
I know you'll always be the only boy  
Who wanted me the way that I am  
(Turn around)  
Every now and then  
I know there's no one in the universeAs magical and wondrous as you  
(Turn around)  
Every now and then  
I know there's nothing any better  
There's nothing that I just wouldn't do  
(Turn Around, bright eyes)  
Every now and then I fall apart  
(Turn Around, bright eyes)  
Every now and then I fall apartAnd I need you now tonight  
And I need you more than ever  
And if you only hold me tight  
We'll be holding on forever  
And we'll only be making it right'Cause we'll never be wrong  
Together we can take it to the end of the line  
Your love is like a shadow on me all of the time  
(All of the time)  
I don't know what to doI'm always in the dark  
Living in a powder keg and giving off sparks  
I really need you tonight  
Forever's gonna start tonight(Forever's gonna start tonight)Once upon a time I was  
I was falling in love  
But now I'm only falling apart  
There's nothing I can do  
A total eclipse of the heart  
Once upon a time there was light in my life  
But now there's only love in the dark  
Nothing I can say  
A total eclipse of the heart

A total eclipse of the heart  
A total eclipse of the heart  
(Turn Around, bright eyes)  
(Turn Around, bright eyes)  
(Turn around)
