Don't Forget

Demi Lovato

Did you forget that I was even alive?
Did you forget everything we ever had?
Did you forget? Did you forget about me?
Did you regret ever standing by my side?
Did you forget what we were feeling inside?
Now I'm left to forget about usBut somewhere we went wrong

We were once so strong

Our love is like a song

You can't forget it

So now I guess this is where we have to stand

Did you regret ever holding my hand?

Never again, please don't forget

Don't forget

We had it all, we were just about to fall

Even more in love than we were before

I won't forget, I won't forget about usBut somewhere we went wrong

We were once so strong

Our love is like a song

You can't forget it

But somewhere we went wrong

We were once so strong

Our love is like a song

You can't forget itAnd at last all the pictures have been burned

And all the past is just a lesson that we've learned

I won't forget, please don't forget us

Somewhere we went wrong

Our love is like a song

But you won't sing along

You've forgotten about usDon't forget
