## You Carried Me

## **Building 429**

I've been so busy, I missed the reasons I missed Your love, and I nearly missed it all Still You've loved me, and You've healed me You've given all and it brought me to Your cross And I stand only because You've given me grace to walk Only because You carried me You carried me You carried me through it all And I believe Yes I believe You'll carry me all the way home Cause mercy covers all I know the scripture, I've known the songs I sang the words from my hollowed heart But You've spoken softly through the storm I've heard Your voice and I've felt the calm I stand only because You've given me faith to walk Only because You carried me You carried me You carried me through it all And I believe Yes I believe You'll carry me all the way homeI know that you love me I'll never doubt it, I can't live without it Your mercy has found me I am astounded, I can't live without it oooh You carried me, You carried me Through it all ... You carried me You carried me And I believe Yeah I believe You'll carry me all the way home Cause mercy covers all Mercy covers all Yeah, yeahAnd I believe And I believe I believe Song Discussions is protected by U.S. Patent 9401941.
