

Blown Rose

Blossoms

I made my wish a rose...A river flows

Felicia, I miss you...

I made my wish a rose...

Wrapped in desire

She cries

Let me know

Felicia, where are you...?

Blown rose

Blown rose

Blown rose

Go

You say you don't feel it like I do

I'm so lost when you say

You don't feel it like I do...

Blown rose

Blown rose

Blown rose

Blown rose
