Call On Me

Jah Cure

Heyyyyyy ohh Oh yeah Oh yeah, yeah I

Love you, I love you, I love you, yeah I

All my ladies, all my ladies now

Cure again, yeah IAnytime you need a lover call on me, I'll be waiting

Anytime you need a lover call on me, my heart is aching

Call on me, anytime you want to

Call on me baby girl I want you

Ah huh

We grew together from way back when

She was nine and I was ten

She used to be, my next door neighbour

She even went to school with my sister Makayla... yeahh

Now were two grown folks, years gone by and we still keep close

Loving me, I'm loving her... the same

I just want you to know that I love you soo... ohhhhAnytime you need a lover call on me, I'll be waiting

Anytime you need a lover call on me, my heart is aching

Call on me, anytime you want to

Call on me baby girl I want you (want you)

Ah huh (want you)Loving like they met the same

We were young and playing games

I fell in love the first time I saw you

And I don't ever worry cause I know can call you... yeahh

Now were two grown folks, years gone by and we still keep close

He's lovin me, I'm lovin him the same as

Anytime you need a lover call on me, I'll be waiting

Anytime you need a lover call on me, my heart is aching

Call on me, anytime you want to

Call on me baby boy I want youNow we've reached so far (reached so far)

We won't turn back again (yeah I)

Love, lovin you (lovin you)

There is no enddddddd

(no end, no end, no end, nooo)

Lovin you

Ahhhhh

Anytime you need a lover call on me, I'll be waiting Anytime you need a lover call on me, my heart is aching

Call on me, anytime you want to

Call on me baby girl I want you

Ahhh
