

Jameia

Antonia

Jameia, Jameia
(wa saw fanura)
Jameia, Jameia
(wa saw fanura)
Jameia, Jameia
(wa saw fanura)
Jameia, Jameia

If you can bring me down
Then you can bring me up
Dont make me feel alone
Lets party on and on
If you can bring me down
Then you can bring me up
Dont make me feel alone

I want oh, oh, oh.

What do I feel when you making me ill

You're a drug, you making me strong

Theres no time to stay

We can start it today

You're my love, you are my love.

(wa saw fanura)

Jameia, Jameia

(wa saw fanura)

Jameia, Jameia

(wa saw fanura)

Jameia, Jameia

(wa saw fanura)

Jameia, Jameia

If you can bring me down
Then you can bring me up
Dont make me feel alone

Lets party on and on

If you can bring me down
Then you can bring me up
Dont make me feel alone

I want oh, oh, oh.

(Oh oh yey, oh oh yey)

(wa saw fanura)

Jameia, Jameia

(wa saw fanura)

Jameia, Jameia

(Oh yey Oh yey Oh yey Oh yey)

(wa saw fanura)
Jameia, Jameia
(wa saw fanura)
Jameia, Jameia
(wa saw fanura)
Jameia, Jameia
(wa saw fanura)
Jameia, Jameia
