

# The Weekend

Michael Gray

I Can't wait for the weekend to begin I'm working, all week long  
I dream the days away  
I wanna sing my song  
So let the music play I have to get my fix, and fly tonight  
And when the clock strikes 6, on Fri-day Night  
I need to blow it all away I Can't wait for the weekend to begin ...  
I make it what i can  
I try, I try  
I'm shakin' up my plan  
And I feel fine I'm saving all my soul and all my pain  
So I can lose control on Sat-urday  
I'm gonna blow it all away (blow, blow, blow, blow) I can't wait for the weekend to begin ...  
I got to get my fix, and fly tonight  
And when the clock strikes 6 on Fri-day Night  
I'm gonna blow it all away (blow, blow, blow, blow) I can't wait for the weekend to begin ...
