

# Insecure

## Amara La Negra

You say I'm loca, crazy  
Said I've been trippin lately  
I wanna know baby  
Does that make me insecure?  
Mi amor  
Mi amor  
Does that make me insecure?  
Mi amor  
Mi amor  
Does that make me insecure?  
At night when your falling asleep  
Hold your cell phone tighter than me  
You think I can't see  
What's happening  
You want me like ABC  
Why you creep like TLC?  
I'll give you til 123  
Till I up and leave You say I'm loca, crazy  
Said I've been trippin lately  
I wanna know baby  
Does that make me insecure?  
Mi amor  
Mi amor  
Does that make me insecure?  
Mi amor  
Mi amor  
Does that make me insecure?  
You say I been doin too much  
Never too much when it's bout love  
Would you rather I just give up?  
On us  
On us  
Yesterday it was all about us  
Now I don't know who I can trust  
Is my love not enough?  
I've had enough You say I'm loca, crazy  
Said I've been trippin lately  
I wanna know baby  
Does that make me insecure?  
Mi amor  
Mi amor  
Does that make me insecure?

Mi amor  
Mi amor  
Does that make me insecure? Intuition usually right  
When your not next to me at night  
Make me feel I'm losing my mind  
But I'm on to something this time  
Can't put my finger pon it  
But I know you're not being honest  
I'm just giving you a warning Does that make me insecure?  
Mi amor  
Mi amor  
Does that make me insecure?  
Mi amor  
Mi amor  
Does that make me insecure
