Yesterday

Imagine Dragons

Here's to my future Here's to my yesterday Here's to change Oh, here's to my yesterday No tomorrow without a yesterday Here's to my future Goodbye to yesterdayAll these years I've been searching For who I'm supposed to be All this time I've been wasting 'Cause I was right in front of meOh, it's a crooked old tradition By a masterful magician But in all this trouble I've met I haven't got one single regret, no Here's to my future Here's to my yesterday Here's to change Oh, here's to my yesterday No tomorrow without a yesterday Here's to my future Goodbye to yesterday YesterdayOh, I'm a hopeless crash collision 'Cause I'm a hostage to my pride By my own volition I've been a saint, i've been the truth, I've been the lieOh, it's a crooked old tradition By a masterful magician But in this all this trouble I've met I haven't got one single regret, no Here's to my future Here's to my yesterday Here's to change Oh, here's to my yesterday No tomorrow without a yesterday Here's to my future Goodbye to yesterday YesterdayA new day you can go, you can do anything you wanna It's your play, swing low, go high Anywhere you wanna You can reach for the moon Anywhere your dreams can take you Go astray, fade away Just leave it to yesterdayHere's to my future Here's to my yesterday
