

# Loud (feat. Lindsey Stirling)

Jessie J

Why don't I hate you?  
Why do they hate me?  
Why are their blocks set up to debate but only forsake me  
How am I doing, and why do you care  
When we fail comes the smile, when I went, I write, you just compare  
So why, must've tried it on your love  
When I'm better than what I've been  
But that's not good enough  
Why, you can't keep my distance sea  
Steady me singing at friends  
I'm talking over enemies  
The world is so...  
Loud  
Loud, loud  
It's so loud,  
Loud, loud  
It's like you and me drop in the crowd  
They won't stop until they got them taken down  
And the world is so loud  
Loud, loud, it's so loud  
Loud, loud  
I tried to drown them all out in my sound  
But they won't stop, stop until they tear you down  
Until they tear me down Until they tear me down  
We saw my destruction  
That's why I'm so reluctant  
When we have passed the ball  
But you're not on my team  
You wanna cast a stone  
We're so ready to fight  
Got the nerve to ask, did I sleep? I heard you all through the night  
Somebody tell me why, I know it's not just me  
Over a billion voices  
Don't think, just speak  
You hate me when I'm loud  
You love me when I'm down  
I'm so confused by the world,  
And the world is so loud  
Loud, loud, it's so loud  
Loud, loud Loud  
Loud, loud  
It's so loud,

Loud, loud  
It's like you and me drop in the crowd  
They won't stop until they got them taken down  
And the world is so loud  
Loud, loud, it's so loud  
Loud, loud  
I tried to drown them all out in my sound  
But they won't stop, stop until they tear you down  
Until they tear me down Until they tear me down On a cloud, I swear  
I could not hear a sound  
I couldn't hear a sound  
As a little girl  
With a little fortune  
Hoping this is true  
So tear me down The world is so loud Loud  
Loud, loud  
It's so loud,  
Loud, loud  
It's like you and me drop in the crowd  
They won't stop until they got them taken down  
And the world is so loud  
Loud, loud, it's so loud  
Loud, loud  
I tried to drown them all out in my sound  
But they won't stop, stop until they tear you down  
Until they tear me down
