

This Is My Now

Jordin Sparks

This is my wish
My wish for the world
That peace would find his way
To every boy and girl
There was a time, when i was so afraid
I thought I'd reached the end, baby that was then
I am made of more than my yesterdays
This is my now
And I am breathing in the moment
As I look around
I can't believe the love I see
My fears behind me
Gone are the shadows and doubt
That was then
This is my now
I had to decide, was I gonna play it safe
Well but somewhere deep inside, I tried to turn the tide
And find the strength to take that step of faith
This is my now
And I am breathing in the moment
As I look around
I can't believe the love I see
My fears behind me
Gone are the shadows and doubt
That was then
This is my now
And I have a courage, like never before
I settled for less, but I'm ready for more
Ready for more
This is my now
And I am breathing in the moment
As I look around
I can't believe the love I see
My fears behind me
Gone are the shadows and doubt
That was then
This is my now
And I am breathing in the moment
As I look around
I can't believe the love I see
My fears behind me
Gone are the shadows and doubt
That was then
This is my now
This is my now
