Angels

Robbie Williams

I sit and wait Does an angel contemplate my fate And do they know The places where we go When we're grey and old 'Cause I have been told That salvation lets their wings unfoldSo when I'm lying in my bed Thoughts running through my head And I feel the love is dead I'm loving angels instead And through it all she offers me protection A lot of love and affection Whether I'm right or wrong And down the waterfall Wherever it may take me I know that life won't break me When I come to call, she won't forsake me I'm loving angels insteadWhen I'm feeling weak And my pain walks down a one way street I look aboveAnd I know I'll always be blessed with love And as the feeling grows She breathes flesh to my bones And when love is deadI'm loving angels instead And through it all she offers me protection A lot of love and affection Whether I'm right or wrong And down the waterfall Wherever it may take me I know that life won't break me When I come to call, she won't forsake meI'm loving angels insteadAnd through it all she offers me protection A lot of love and affection Whether I'm right or wrong And down the waterfall Wherever it may take me I know that life won't break me When I come to call, she won't forsake me I'm loving angels instead Song Discussions is protected by U.S. Patent 9401941. Other patents pending.
