## I Ran

## A Flock of Seagulls

I walked along the avenue I never thought I'd meet a girl like you Meet a girl like youWith auburn hair and tawny eyes The kind of eyes that hypnotize me through Hypnotize me through And I ran, I ran so far away I just ran, I ran all night and day I couldn't get away A cloud appears above your head A beam of light comes shining down on you Shining down on youThe cloud is moving nearer still Aurora Borealis comes in view Aurora comes in view And I ran, I ran so far away I just ran, I ran all night and day I couldn't get awayReached out a hand to touch your face You're slowly disappearing from my view Appearing from my view Reached out a hand to try again I'm floating in a beam of light with you A beam of light with you And I ran, I ran so far away I just ran, I ran all night and day And I ran, I ran so far away I just ran, I couldn't get away
