In the area of 8 mile but they actin' like they Kim Basinger  
All I ever do is show love Juggalo does get a show plug from a flow thug  
Now they grow grudge when I bareback a nigga no rub

Til I hit 'em with the Stamina and then they turned around N9na earned that  
Told Joe I'd be tourin' when they do the March gotta go homie to pay for my divorce  
Now he tryin' to make the people turn another back on me Nigga I don't need NOTHIN', but
