

# When I Say I Love U (Saux Remix)

## Shy Girls

Burning girl, your flame burns, but please don't burn away. Don't make me beg again, I'll get  
down on my knees.

Here's a misunderstanding, enough to make you want to leave.

I try hard babe.

I do, yes I do.

I feel that you're the one.

Baby what you running from?

When I say I love you, I mean I need you. I can't make you change your mind.

Let's just count it again from the top.

Let's take it easy.

Let's just find a way to groove again, just for one cold night.

I try hard babe, I do.

I can write the versus babe, you can make the calls ring.

When I say I love you, I mean I need you. Burning girl, your flame burns, but please don't burn  
away. I can write the versus babe, you can make the calls ring.

I feel that you're the one.

Baby what you running from?
