Mr Eazi & Major Lazer (feat. Nicki Minaj & K4mo) - Oh My Gawd Lyrics

Knock knock
Guess who's coming to dinner?
Fred, Mr Eazi, Major Lazer inna beamer
Oh my gawd
I've never seen a bottom like this
See the way she hula-hoop
Come and jump on like this
See the junk in the trunk
I had to bag her right quick
Feel like magic all together
Multiplied by six
Oh my gawd
I've never seen a bottom like this
See the way she hula-hoop
Come and jump on like this
See the junk in the trunk
I had to bag her right quick
Feel like magic all together
All together by six
She say she got a partner
Me I got one
But me wan' tap

Never seen a girl wey give me vibes suh
Never seen a girl with biggie bum-bum
