Voodoo

Black Sabbath

Say you don't love me, you'll burn You can refuse, but you'll lose, it's by me Say you don't want me, you'll learn Nothing you do will be new 'cause I'm throughOhCall me a liar, you knew You were a fool, but that's cool, it's all right Call me the devil, it's true Some can't accept but I crept inside you So if a stranger calls you Don't let him whisper his name 'Cause it's voodooFade into shadow, you'll burn Your fortune is free, I can see it's no good Never look back, never turn It's a question of time till you're mine and you learnSo if a stranger sees you Don't look in his eyes 'Cause he's voodooSay you don't love me, you'll burn You can refuse, but you'll lose, it's by me Say you don't want me, you'll learn Nothing you do will be new 'cause I'm throughVoodoo Bring me your children, they'll burn Never look back, never turn Cry me a river, you'll learn Voodoo Song Discussions is protected by U.S. Patent 9401941. Other patents pending.
