

Weekend In New England

Barry Manilow

Last night I waved goodbye now it seems years
I'm back in the city where nothing is clear
But thoughts of me holding you bringing us near
And tell me when will our eyes meet when can I touch you...
When will this strong yearning end...
And when will I hold you again?
Time in New England took me away to long rocky beaches you by the bay
We started a story whose end must now wait And tell me when will our eyes meet... when can I
touch you...
When will this strong yearning end...
And when will I hold you again?
I feel the change comin' I feel the wind blow
I feel brave and daring
I feel my blood flow...
With you I could bring out all the love that I have
With you there's a heaven
So earth ain't so bad...
And tell me when will our eyes meet... when can I touch you
When will this strong yearning end...
And when will I hold you... again... again?
