

Baby, I Love You

The Ronettes

I can't live without you
I love everything about you
I can't help it if I feel this way
oh I'm so glad I found you
I want my arms around you
I love to hear you call my name
oh tell me that you feel the same(baby I love you)
come on baby
(baby I love you)
oh-ee baby
baby I love only you
woa-oh, woa-oh oh oh You're just too good to be true can't take my eyes off of you
You'd be like heaven to touch I wanna hold you so much
And long last love has arrived and I thank God I'm alive
You're just too good to be true can't take my eyes off of you
Pardon the way that I stare is nothing else to compare
The sign of you usually weak there are no words left to speak
But if you feel like I feel please let me know that it's real
You're just too good to be true can't take my eyes off of you
I love you baby and if it's quite all right
I need you baby to warm your lonely night
I love you baby trust in me when I say
Oh pretty baby don't bring me down I pray
Oh pretty baby come on and find you stay
And let me love you baby let me love you
You're just too good to be true...
Can't take my eyes off of you can't take my eyes off of you
You're just too good to be true can't take my eyes off of you
You'd be like heaven to touch I wanna hold you so much
And long last love has arrived and I thank God I'm alive
You're just too good to be true can't take my eyes off of you
I love you baby and if it's quite all right
I need you baby to warm your lonely night
I love you baby trust in me when I say
Oh pretty baby don't bring me down I pray
Oh pretty baby come on and find you stay
And let me love you baby let me love you
Oh give you baby trust to me what I said
I need you baby to warm your lonely night
Oh pretty baby come on and find you stay
And let me love you baby let me love you
