

# Peace of Mind

## Boston

Now if you're feelin' kinda low 'bout the dues you've been paying  
Future's coming much too slow  
And you wanna run but somehow you just keep on stayin'  
Can't decide on which way to go  
Yeah, yeah, yeah I understand about indecision  
But I don't care if I get behind  
People livin' in competition  
All I want is to have my peace of mind.  
Now you're climbin' to the top of the company ladder  
Hope it doesn't take too long  
Can'tcha you see there'll come a day when it won't matter  
Come a day when you'll be gone  
Ohh Ohhh I understand about indecision  
But I don't care if I get behind  
People livin' in competition  
All I want is to have my peace of mind. Take a look ahead, take a look ahead, yeah, yeah, yeah,  
yeah...  
Now everybody's got advice they just keep on givin'  
Doesn't mean too much to me  
Lot's of people out to make-believe they're livin'  
Can't decide who they should be.  
Ohh Ohhh  
I understand about indecision  
But I don't care if I get behind  
People livin' in competition  
All I want is to have my peace of mind.  
Take a look ahead, take a look ahead. Look ahead.
