

Cause of Death

Obituary

With the dying Rot in hell religious one
(Cold fate) the chosen son
Find the darkness kill the day
You said you'd never cease saying We're the cause of death Find the one kill the need
You're the one to make him bleed
Find the darkness little one
We're the cause of death Rot in hell religious one
(Cold fate) the chosen son
Find the darkness kill the day
You said you'd never cease saying With the darkness we arise
Your hell is denied
The powers below
Reality's here
With the darkness we arise
Your hell is denied
The powers below
Reality's here
