

Shameless (feat. Bryan Ferry)

Bryan Ferry & Groove Armada

I can read your lips
I can read your mind
It's all I want to hear
Why am I so blind? And the way we were
Fatefully entwined
In a shameless world
Rock 'n' roll desire
Rock 'n' roll desire
Rock 'n' roll desire All the things you are
In a single word
Famously inspired
Privately absurd
And the way we were
Fatefully entwined
In a shameless world
Rock 'n' roll desire
Rock 'n' roll desire
Rock 'n' roll desire Rock 'n' roll desire
Rock 'n' roll desire And the days go by
Morning, noon and night
Permanently wired
To a simple life And the way we were
Fatefully entwined
In a shameless world
Rock 'n' roll desire
(Rock 'n' roll desire)
Rock 'n' roll desire
(Rock 'n' roll desire)
Rock 'n' roll desire
(Rock 'n' roll desire)
Rock 'n' roll desire
(Rock 'n' roll desire)
Rock 'n' roll desire
(Rock 'n' roll desire)
Rock 'n' roll desire
