Wave (feat. Antônio Carlos Jobim)

Frank Sinatra

Writer(s): Antonio Carlos Jobim So close your eyes For thats a lovely way to be Aware of things your heart alone was meant to see The fundamental loneliness goes whenever two can dream a dream togetherYou can't deny don't try to fight the rising sea Don't fight the moon, the stars above and don't fight me The fundamental loneliness goes whenever two can dream a dream togetherWhen I saw you first the time was halfpast three When your eyes met mine it was eternityBy now we know the wave is on its way to be Just catch that wave don't be afraid of loving me The fundamental loneliness goes whenever two can dream a dream togetherWhen I saw you first the time was halfpast three When your eyes met mine it was eternity By now we know the wave is on its way to be Just catch that wave don't be afraid of loving me The fundamental loneliness goes whenever two can dream a dream together
