You Know My Name

Chris Cornell

If you take a life, do you know what you'll give?

Odds are, you won't like what it is

When the storm arrives, would you be seen with me,

By the merciless eyes I've decieved? I've seen angels fall from blinding heights

But you yourself are nothing so divine

Just next in lineArm yourself, because no-one else here will save you

The odds will betray you

And I will replace you

You can't deny the prize, it may never fulfill you

It longs to kill you

Are you willing to die? The coldest blood runs through my veins

You know my name

If you come inside, things will not be the same

When you return to the night

If you think you've won, you never saw me change

The game that we have been playing I've seen diamonds cut through harder men

Than you yourself

But if you must pretend

You may meet your endArm yourself, because no-one else here will save you

The odds will betray you

And I will replace you

You can't deny the prize, it may never fulfill you

It longs to kill you

Are you willing to die? The coldest blood runs through my veins Try to hide your hand

Forget how to feel (Forget how to feel)

Life is gone with just a spin of the wheel (Spin of the wheel)

Arm yourself, because no-one else here will save you

The odds will betray you

And I will replace you

You can't deny the prize, it may never fulfill you

It longs to kill you

Are you willing to die?

The coldest blood runs through my veins

You know my name

You know my name!
