

# Rule the World

## Take That

You light the skies, up above me  
A star, so bright, you blind me,  
Don't close your eyes,  
Don't fade away don't fade away,  
Ohhhhhhhhh! Yeah you and me we can ride on a star  
If you stay with me girl  
We can rule the world-  
Yeah you and me we can light up the sky  
If you stay by my side  
We can rule the world-If walls break down, I will comfort you  
If angels cry, oh I'll be there for you  
You've saved my soul  
Don't leave me now, don't leave me now  
Oh Yeah you and me we can ride on a star  
If you stay with me girl  
We can rule the world  
Yeah you and me, we can light up the sky  
If you stay by my side  
We can rule the world-Ooooooooooh All the stars are coming out tonight  
They're lighting up the sky tonight  
For you, for you  
All the stars are coming out tonight  
They're lighting up the sky tonight  
For you, for you-Ooooooooooh  
Yeah you and me we can ride on a star  
If you stay with me girl  
We can rule the world  
Yeah you and me, we can light up the sky  
If you stay by my side  
We can rule the world All the stars are coming out tonight (oooooooooh)  
They're lighting up the sky tonight  
For you, for you-  
All the stars are coming out tonight  
They're lighting up the sky tonight  
For you, for you-All the stars, are coming out tonight  
They're lighting up the sky tonight  
For you, for you-  
All the stars, are coming out tonight  
They're lighting up the sky tonight  
For you, for you-
