

I Can Only Imagine (Extended)

David Guetta, Chris Brown & Lil Wayne

Where you been?
Where you been all my life?
Girl you glistening, the way you look in the light
It's obvious that I want something from you
You know what, what I wanna do, do, do Every time it would bring me to life
I can only imagine, only imagine
What it'll be like
Oh, every time, it would bring me to life
I can only imagine, only imagine
What it'd be like, what it'd be like
What it'd be like, like, like
What it'd be like, like, like
I saw you from afar
Thought I'd say wassup
You can tell me your name, when we wakin' up
They call me Tunechi, I'm good, I'm Gucci
Now you can kiss your old dude goodbye, smooches
You're a beast, you're a beauty
Man I think somebody dun gave Cupid a Uzi, shoot me
You're a firework, brighter in the dark
So lets turn off the lights and give me that spark Every time it would bring me to life
I can only imagine, only imagine what it'd be like
Oh every time it would bring me to life
I can only imagine, only imagine
What it'd be like, what it'd be like
What it'd be like, like, like
What it'd be like, like, like
I want to let her touch me, one touch will feel free
I want to feel free, she can kiss me
So I can finally be, so I can finally see, so I can finally see I saw you from afar
Thought I'd say wassup
You can tell me your name, when we wakin' up
They call me Tunechi, I'm good, I'm Gucci
Now you can kiss your old dude goodbye, smooches
You're a beast, you're a beauty
Man I think somebody dun gave Cupid a Uzi, shoot me
You're a firework, brighter in the dark
So lets turn off the lights and give me that spark
