

I Will Love You

Fisher

Til my body is dust
til my soul is no more
I will love you, love youTil the sun starts to cry
and the moon turns to rust
I will love you, love youBut I need to know
will you stay for all time
forever and a day
Then I'll give my heart
'til the end of all time
forever and a day
And I need to know
will you stay for all time
forever and a day
Then I'll give my heart
'til the end of all time
forever and a day
'Til the storms fill my eyes
and we touch the last time
I will love you, love youI will love you, love you...
I will love you, love you, love you...
