I Will Love You

Fisher

Til my body is dust til my soul is no more I will love you, love youTil the sun starts to cry and the moon turns to rust I will love you, love youBut I need to know will you stay for all time forever and a day Then I'll give my heart 'til the end of all time forever and a day And I need to know will you stay for all time forever and a day Then I'll give my heart 'til the end of all time forever and a day 'Til the storms fill my eyes and we touch the last time I will love you, love youI will love you, love you... I will love you, love you, love you... Song Discussions is protected by U.S. Patent 9401941. Other patents pending.
