Ex-Factor (J.PERIOD Headache Remix)

Lauryn Hill

It could all be so simple But you'd rather make it hard Loving you is like a battle And we both end up with scars Tell me, who I have to be To get some reciprocity See no one loves you more than me And no one ever willIs this just a silly game? That forces you to act this way Forces you to scream my name Then pretend that you can't stay Tell me, who I have to be To get some reciprocity See no one loves you more than me And no one ever will No matter how I think we grow You always seem to let me know It ain't workin' It ain't workin' It ain't workin' And when I try to walk away You'd hurt yourself to make me stay This is crazy This is crazy This is crazy This is crazyI keep letting you back in How can I explain myself? As painful as this thing has been I just can't be with no one else See I know what we've got to do You let go and I'll let go too 'Cause no one's hurt me more than you And no one ever will No matter how I think we grow You always seem to let me know It ain't workin' It ain't workin' It ain't workin' It ain't workin' And when I try to walk away

You'd hurt yourself to make me stay
This is crazy

This is crazy This is crazy

This is crazyCare for me, care for me

I know you care for me

There for me, there for me

Said, "You'd be there for me"

Cry for me, cry for me

You said, "You'd die for me"

Give to me, give to me

Why won't you live for meCare for me, care for me

You said, "You care for me"

There for me, there for me

Said, "You'd be there for me"

Cry for me, cry for me

You said, "You'd die for me"

Give to me, give to me

Why won't you live for meCare for me, care for me

You said, "You care for me"

There for me, there for me

Said, "You'd be there for me"
