

# I Won't Let You Down

## OK Go

I won't let you down  
No, I won't let you down  
I won't let you down, my love I won't let you down  
No, I won't let you down  
I won't let you down, my love Now, Nikki, she's got no flag to fly  
But she don't seem that much to mind  
No, she don't seem to mind And you, you got your armor on  
Lights out in Babylon  
Yeah, lights out in Babylon But maybe all you need is someone to trust  
Maybe all you need is someone  
Maybe all you need is someone to trust  
Maybe all you need is someone  
I won't let you down  
No, I won't let you down  
I won't let you down, my love I won't let you down  
No, I won't let you down  
I won't let you down, my love No, I won't let you down  
Won't let you down  
Won't let you down No, I won't let you down  
Won't let you down  
Won't let you down Now Emily's got no tricks to try  
But she don't seem that much to mind  
She don't seem to mind that much to me And you got what the whole world wants  
So strap that armor tighter on  
Double on down and it's gonna make you free  
Maybe all you need is someone to trust  
Maybe all you need is someone  
Maybe all you need is someone to trust  
Maybe all you need is someone I won't let you down  
No, I won't let you down  
I won't let you down, my love I won't let you down  
No, I won't let you down  
I won't let you down, my love No, I won't let you down  
Won't let you down  
Won't let you down No, I won't let you down  
Won't let you down  
Won't let you down I won't let you down, baby  
I won't let you down, baby
