

# Nasty Dogs and Funky Kings

## ZZ Top

Well, I knocked down on your door, baby,  
to see if you were at home.  
Your shade was down, there wasn't even a sound  
but something told me you weren't alone.  
What in the world can a nasty dog do  
but try to get next to you? Don't laugh 'cause it ain't funny.  
Look how it happened to me.  
It could happen to you, you could be a fool too  
and it'd leave you in misery.  
I guess there's nothin' more funky king can do  
but to try to get next to you.  
Mm, well.
