

Speak of the Devil

Hermitude

That little devil
you know that you want
Come on! Oh, oh that little devil on your shoulder
It's telling you to dance
Come on, you know what you want
Dance, dance, dance, dance Oh, oh that little angel on your shoulder
It's telling you to dance
Come on, you know what you want
Dance, dance, dance, dance Come on, come on!
Oh, oh that little devil on your shoulder
It's telling you to dance
Come on, you know what you want
Dance, dance, dance, dance
Alright I'll dance!
Oh, oh that little angel on your shoulder
It's telling you to dance
Come on, you know what you want
Dance, dance, dance, dance
