

# 2U (feat. Justin Bieber)

David Guetta

No limit in the sky that I won't fly for ya  
No amount of tears in my eyes that I won't cry for ya  
Oooh no  
With every breath, that I take  
I want you to share that air with me  
There's no promise that I won't keep  
I'll climb a mountain there's none too steep When it comes to you  
There's no crime, let's take both of our souls and intertwine  
When it comes to you, don't be blind  
Watch me speak from my heart, when it comes to you  
Comes to you  
Cupid in a line, arrow got your name on it  
Oooh yeah  
Don't miss out on a love and regret yourself on it  
Oooh  
Open up your mind, clear your head  
Ain't gotta wake up to an empty bed  
Share my life, it's yours to keep  
Now that I give to you all of me When it comes to you  
There's no crime, let's take both of our souls and intertwine  
When it comes to you, don't be blind  
Watch me speak from my heart, when it comes to you  
Comes to you  
Want you to share that  
When it comes to you  
Want you to share that  
When it comes to you  
There's no crime, let's take both of our souls and intertwine  
When it comes to you, don't be blind  
Watch me speak from my heart, when it comes to you  
Comes to you
